**STRATEGIC DIRECTIONS- THE FRAMEWORK FOR THE FUTURE LAND USE,  
PLANNING AND DEVELOPMENT OF THE CITY OF WODONGA**

The vision statement establishes the commitment the Wodonga Council has to strategic planning and the implementation of objectives to foster continued growth and enhancement of the quality of life enjoyed by residents. This strategy outlines the directions and actions the council will pursue to implement the vision for the city.

The framework for the future land use and development of the city of Wodonga is outlined through six key elements:

21.08      *Regional Cooperation – “Australia’s leading regional centre”*

21.09      *Environment, Heritage and Natural Resources*

21.10      *Future Urban and Residential Use*

21.11      *Economic Development*

21.12      *Infrastructure*

21.13      *Social*
