

Shared Pathways

Code of Conduct

Shared pathways are accessible to pedestrians, cyclists, motorised wheelchairs, scooters and skaters. The code of conduct has been established to allow all users to enjoy City of Wodonga pathways.

- Keep to the left of the path at all times, unless overtaking.
- Bike riders and skaters give way to pedestrians.
- Beware of unleashed dogs.
- Travel at a speed at which you can stop easily.
- If you stop, move off the pathway; this will let others safely pass you.

Riders

- By law you are required to wear a helmet.
- Use hand signals when turning and indicate your intentions early.
- Slow down when approaching pedestrians.
- When overtaking slower users, give plenty of room between you and the slower user.
- Ring your bell or attract the attention of pedestrians about 30m behind pedestrians when approaching them.
- If riding at night, your bike must have a front white light, a rear red light that can be seen 200 metres away, and a rear red reflector.

Remember

Keep Hydrated - always carry a water bottle particularly in hot weather.

Be Sun Smart - Wear protective clothing and use sunscreen liberally, especially on the neck, arms and face. Make sure to re-apply often.

Be Seen / Be Safe - Visibility is important day and night. During the day, wear light and bright colours particularly during dusk and dawn. At night after dark reflective vests or jackets are recommended.

Report Issues or Damage - If you come across an area of the pathway that you consider dangerous or in need of repair, please contact the City of Wodonga customer service on 02 6022 9300 (this is also the after hours emergency number).
